EXPERIENCE

➔ **01-08-2023 - 15-09-2023**

Digicoders Pvt Ltd

Web Development in Python

Digicoders is a Web Development Based company, I have done training from here where I got to learn about the following skills.

I have learned the basics of web development, including HTML, CSS, JavaScript, Bootstrap, Python, and Django.

Through practice, I have developed a foundational understanding of front-end and back-end development.

I am continuously improving my skills by working on small projects and building responsive websites.

Additionally, I have a strong interest in problem-solving and continuously explore new technologies to enhance my coding abilities.

➔ **05-09-2024 - 02-02-2025**

Ekana Technologies Pvt Ltd

Web Development in PHP

Ekana Technologies is an IT Based company, I have done internship from here where I got to learn about the following skills.

I have gained a strong understanding of web development technologies, including HTML, CSS, JavaScript, Bootstrap, jQuery, PHP, and Laravel.

Through hands-on practice, I have developed skills in front-end and back-end development, enabling me to build dynamic and responsive websites.

My experience includes working on various projects that have enhanced my problem-solving abilities and coding proficiency.
